NOVI, MI

Once again your SNOWMOBILE USA Show & Sale event will be at the Novi, MI Suburban Collection Showplace! Consuming a massive 230,000 square feet of display space. In addition to your snowmobile products & services, we encourage you to bring your ATV units, clothing and accessories to sell in your booths. ATVs will be featured in all of our advertising for this season's shows.

Strategically placed booths and aisles will allow for smooth consumer flow and eliminate jammed aisles. These placements really work, last year they accommodated the crowd of 16,331 snowmobilers!

Move in and move out will be smooth with the full use of the dock high loading ramps and overhead doors on the North wall of the building along with overhead doors on the East and West walls.

Returning is "Trailer Town", developed for displayers who need added space to show their products. Its benefits are reduced cost, ease of entry and exit for their large units and the concentration of serious buyers visiting their display to check out trailers. All trailers will be displayed in "Trailer Town." This will eliminate large trailers obstructing other smaller displayers.

Novi is the "World's Largest Indoor Snowmobile Show," and it sells out fast, so don't delay in getting your space. Look over the plans and call us today! 1-800-746-8963

This is the Ultimate Snowmobile Show!
